

PASSED

**CHICKASAW TRIBAL LEGISLATURE
Permanent Resolution Number 12-17
Amendment to the Chickasaw Nation Health Care
Scholarship Program**

WHEREAS, in accordance with Article VII, Sections 4 and 7 of the Constitution of the Chickasaw Nation, the Chickasaw Tribal Legislature shall enact rules and regulations pertaining to the Chickasaw Nation, and shall make decisions pertaining to the acquisition, leasing, disposition and management of real property, subject to federal law, and

WHEREAS, in accordance with Article XI, Section 1 of the Constitution of the Chickasaw Nation, the Governor shall perform all duties appertaining to the Office of Chief Executive. He shall sign official papers on behalf of the Nation, and

WHEREAS, the intent of the Chickasaw Nation Health Care Scholarship Program is to provide financial assistance to deserving Chickasaw citizens who are seeking an education in the health care and medical professions, and

WHEREAS, high academic achievement is the most important prerequisite for any student seeking a profession in health care and medicine.

NOW, THEREFORE, BE IT RESOLVED, that the Chickasaw Tribal Legislature, amends the following provisions of Title 7 of the Code of the Chickasaw Nation, to wit:

In Section 7-203 of the Chickasaw Nation Health Scholarship Program, part C. shall be amended to read as follows:

C. The Regional Directors of the Chickasaw Nation, working collectively, shall develop and administer such application form, rules and procedures as are necessary to implement this program.

and;

In Section 7-203 of the Chickasaw Nation Health Scholarship Program, part D. shall be amended to read as follows:

D. An applicant must be accepted by an accredited academic health care or medical program which is approved by the Chickasaw Nation Education Department as a qualifying institution for the purposes of this scholarship program.

1. The applicant must have achieved and shall continue to maintain a minimum 3.0 GPA in order to qualify for scholarship consideration. All students that have qualified for and are receiving

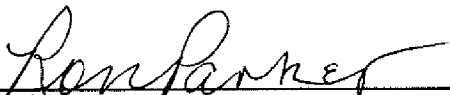

a scholarship under this program, in order to continue in this scholarship program, must achieve and maintain the same minimum 3.0 GPA as is required of an applicant.

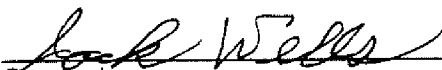

2. If the approved and accredited academic health care or medical program requires its students to maintain a specific grade point average, other than a 3.0, then an applicant, in order to be considered for a scholarship under this program, must submit proof that the applicant complies with all of the academic requirements of such approved and accredited health care or medical program. All students that have qualified for and are receiving a scholarship under this program, in order to continue in this scholar-ship program, must achieve and maintain the same grade point average as is required of an applicant.
3. Any applicant that fails to provide the required documentation listed in the application materials shall not be considered for funding under this program. Any student qualifying for and receiving funding under this scholarship program shall, each semester, submit updated documentation that the student continues to meet or exceed the academic requirements of the approved and accredited health care or medical program, in order for such student to be considered for continuation in this scholar-ship program.

Paragraph four (4) of the "Chickasaw Nation Health Care Scholarship Program Application Materials Model", shall amend the second sentence to read as follows:

One of the monitoring objectives is assuring satisfactory academic performance which is defined as: (1) a minimum 3.0 grade point average (GPA); or, (2) the accepted GPA required by the approved and accredited health care or medical program.
