CHICKASAW TRIBAL LEGISLATURE

**Permanent Resolution Number 13-13
Creation of a Student Loan Program**

Explanation: This resolution creates a Student Loan Program. Only about one-half of the students who apply for federal and tribal funds for higher education actually receive financial assistance sufficient to allow them to attend colleges and universities because funding of those programs is so limited.

This resolution authorizes the creation of a student loan program to lend money to Chickasaw students. It is limited in participation to those who are citizens of the Chickasaw Nation (both resident and non-resident). The program will be funded by depositing into the loan program account the amount of \$100,000 each year for five years. At the beginning of the sixth year, the program will be self-sustaining through pay-backs from the borrowers of the program. Funds for those five years shall be derived from tribal funds, non-trust.

The resolution requires provision to be made to allow forgiveness for all or parts of such loans, when the borrowers sign an agreement to work for the Chickasaw Nation upon the completion of their education.
