CHICKASAW TRIBAL LEGISLATURE

Permanent Resolution Number 14 - 015 Athletic Scholarship for Native American Student Athletes at Murray State College

Explanation: In February of 1994, the Chickasaw Tribal Legislature authorized the establishment and first year's funding of an athletic scholarship program at Murray State College. The program was to be used to support men's and women's basketball and men's baseball, in the amount of \$5,000 per year, authorized annually.

This permanent resolution:

1. Authorizes the establishment of that scholarship program on a permanent basis (which means that a resolution will not have to be adopted every year to continue the program, if certain conditions are met as specified in this resolution);
2. Adds equestrian sports and women's softball to those eligible for scholarships;
3. Continues the funding for the program dependent upon the submission of an annual report by the Murray State College athletic director as the program's success during each prior year; and
4. Requires the program to be administered by the Chickasaw Nation Executive Department under policies and procedures established for the operation of tribal programs and expenditure of tribal funds.
