CHICKASAW TRIBAL LEGISLATURE
Permanent Resolution Number 18-040
General Fund Report

Explanation: Tribal law is clear that the budgeted expenditures shall not exceed total estimated revenues plus any reserves. The key word being "reserves." As this is a key part of the law, it is imperative that we know what the balance in "reserves" (General Fund) is, so that we can make judicious decisions for the benefit of the Chickasaw people.

Section 10-120 of the Code of the Chickasaw Nation will be amended to include a "**Report on the balance in the General Fund, which will include all cash reserves.**"
